

Program of Study for Veterinary Technology

All enrolled students desiring to earn the Associate of Applied Science degree in Veterinary Technology must complete the following minimum program of study. All courses, with the exception of Microbiology lab, will be delivered by Carver Career Center. Credit for these courses will be awarded by Bridgemont Community & Technical College. Carver Career Center is responsible for providing documentation of successful completion of the VETT courses to the Bridgemont Registrar.

***Microbiology Lab will be taught at Bridgemont**
